NOTICE OF PUBLIC HEARING

TAB 20 Rule 64B32-6.001, Continuing Education

Over the last few meetings, the board has made revisions to the continuing education rule to ensure the requirements are streamlined. Included in this tab is the final draft which encompasses all changes.

64B32-6.001 Continuing Education Requirement.

(1) The Legislature and the Board have determined that competency in delivery of respiratory care services is enhanced by continuous updating of knowledge and skills. To this end, continuing education is required as a condition for renewal of licensure of all respiratory care ~~licensees~~~~personnel~~ without regard to the avenue taken to licensure.

(2) Each licensee shall submit proof satisfactory to the Board of participation in appropriate continuing education. During each biennium, as established by the Department, each licensee must earn 24 ~~contact~~ hours of continuing education credit including those earned ~~except as provided in this rule~~ ~~Rule 64B32-6.001, F.A.C.~~ None of these hours can be obtained by taking Basic Life Support (BLS) training. No more than five (5) hours per biennium shall be awarded for completion of courses focusing on risk management.

(3) Those persons initially licensed during the second year of a biennium ~~who do not currently hold a respiratory care license~~ are exempt from the continuing education requirements, except for the Medical Errors course and HIV/AIDS course ~~pursuant to subsection (5) of this rule and Section 456.033, F.S., and the Florida laws and rules course, pursuant to subsection (5) of this rule,~~ for their first renewal. Continuing education requirements must be met for each biennium thereafter.

(4) No Change.

(5) A licensee may be required to earn continuing education credit hours which include the following: ~~Beginning with the biennium ending May 31, 2015, a licensee needs twenty four (24) hours per biennium in order to renew the license, of which (2) credit hours must include Florida laws and rules to bring the licensee up to date on laws and rules of the Board and the regulatory agency under which the Board operates. The hours can be obtained in the following manner:~~

(a) Florida laws and rules

Mandatory for all licensees: 2 credit hours pursuant to subsection 64B32-6.001(5), F.A.C. Licensees may earn up to 8 contact hours per biennium by attending meetings of the Board of Respiration Care, but no more than 2 of those hours will be credited to satisfying the Florida laws and rules requirement.

~~(b) Direct Delivery of Respiratory Care Services~~

~~Mandatory for all licensees: A minimum of 16 hours each biennium must be obtained by each licensee in the approved offerings pursuant to subsection 64B32-6.004(3), F.A.C.~~

~~(b)1- Prevention of Medical Errors~~

~~Mandatory for all licensees part of Direct Delivery Services Requirements for all licensees: 2 hours in a board-approved continuing education course pursuant to Rule 64B32-6.006, F.A.C.~~

~~(c)2- HIV/AIDS~~

~~Mandatory part of Direct Delivery Services Requirements for the initial renewal of all licensees, optional for subsequent renewals: At least 3 hours but no more than 5 hours pursuant to Rule 64B32-6.006, F.A.C. The course must be taken within the last five (5) years prior to either initial licensure or first renewal. Licensees may complete up to 5 hours of continuing education credited to AIDS education, although any completed hours in excess of the required 3 hours will be counted as direct delivery continuing education credits.~~

~~(c) Non-Direct Respiratory Patient Care (i.e. management, risk management,~~

~~No more than 8 hours in this area will be acceptable for the purpose of biennial renewal of a license pursuant to~~

personal growth, and educational techniques)

subsection 64B32-6.004(3), F.A.C.

(d) Home Study Courses

Limitation applicable to all licensees: No more than 12 hours per biennium pursuant to subsection 64B32-6.004(3), F.A.C.

(e) Other requirements that satisfy continuing education are listed in Rule 64B32-6.004, F.A.C.

~~(6) A licensee needs twenty-four (24) hours of Continuing Education each biennium in order to renew a Respiratory Care License. None of these hours can be obtained by taking Basic Life Support (BLS) training.~~

(7) No licensee will be given more than the credited hours of completion of any continuing education course, as credited for completion of the course once, per biennium, regardless of the number of times a licensee registers for and completes a course.

MOTION: After discussion, Ms. Nunez made a motion to approve the proposed revisions for developed to the continuing education rule. The motion was seconded by Ms. Sherrod and carried 5/0.

MOTION: Ms. Sherrod made a motion to find the proposed revisions do not have an adverse impact on small businesses and will not be likely to directly or indirectly increase regulatory costs to any entity (including government) in excess of \$200,000 in the aggregate in Florida within 1 year after the implementation of the rule. The motion was seconded by Mr. Garcia and carried 5/0.

Mr. Garcia discussed the possibility of updating the continuing education requirements to remove the requirement of completing live hours. The Board would like to review other Board's requirements regarding all anytime continuing education verses live. They suggested reviewing other boards, such as Radiology, Nursing, Physical Therapy, Occupational Therapy, Massage, etc.

Jaimie Shulack, President of the Florida Society for Respiratory Care (FSRC) and Dennis Willerth, Executive Director of FSRC addressed the board.

RULE DISCUSSION

TAB 27 64B32-6.006, AIDS Education and Medical Error Prevention Education

The Board Counsel has placed the following rule for consideration of the update to be consistent with related language within the respiratory care rules:

64B32-6.006 AIDS Education and Medical Error Prevention Education.

(1) Each licensee must complete at least three ~~continuing education contact~~ hours of HIV/AIDS education through a Board approved course no later than upon the licensee's first biennial renewal of licensure. New licensees may complete a course no more than five (5) years preceding initial licensure date.

(2) To receive Board approval, courses on HIV/AIDS shall be at least one hour and include the following subject areas: Modes of transmission, Infection control procedures, Clinical management, Prevention, and current Florida law on AIDS and the impact on testing, confidentiality, and treatment. A home study course shall be permitted to fulfill this aspect of the HIV/AIDS education.

(3) Courses approved by any Board within the Division of Medical Quality Assurance of the Department of Health pursuant to Section 456.033, F.S., are approved by this Board.

(4) Each applicant and all licensees shall take a Board approved 2-hour continuing education course relating to the prevention of medical errors. The 2-hour course shall count toward the total number of continuing education hours required for each license renewal. The course shall include medication errors, including missed treatments, documentation errors, equipment errors, patient errors and communication errors.

MOTION: After discussion, Mr. Colon made a motion to open rule 64B32-6.006 for development and accept the language as proposed. The motion was seconded by Mr. Graica and carried 5/0.

MOTION: Ms. Sherrod made a motion to find the proposed revisions do not have an adverse impact on small businesses and will not be likely to directly or indirectly increase regulatory costs to any entity (including government) in excess of \$200,000 in the aggregate in Florida within 1 year after the implementation of the rule. The motion was seconded by Mr. Garcia and carried 5/0.
